Happy Holidays!!

Hello one, hello all! Hang the tinsel and deck the halls. Welcome to another fabulous Holiday Season. We've decided to do something new, this go 'round. Enclosed you'll find a DVD Video update featuring the latest from the Entertainment Department. Make sure to watch it in your break room DVD player for some important info from Dept. 18.

Chuck E.'s Holiday Party is back. This year we are excited to present some exciting new intermission content. From Johnny Cash to Yo Gabba Gabba, this year's version of the Holiday Party is sure to get you and your guests into the Holiday Spirit. If you choose to enhance the Holiday experience at your location by decorating your stage, snap a pic and email it to us at cectv@cecentertainment.com. We'd love to see your creativity and enthusiasm in celebrating Chuck E.'s Holiday Party.

You'll also see in your show packet a New Road Show CD. It includes all of your favorite live shows along with the Cupid Shuffle re-licensed for all of 2011. Oh and don't forget...most Live Shows are available on your show in the showroom. We encourage you to mix it up. You don't always have to perform in the game room. Take advantage of the sound system and lights in the Show Room.

Another new feature with this show is the Spanish Birthday program. For Studio C locations, it's located on your new DVD 3, included in this packet. For existing stages locations, just select off the menu like a regular Live Show.

We're working hard on a brand new show due out in January 2011, so stay tuned. Until then, Happy Holidays and we'll see you next year. Thanks for an awesome 2010!
